

MASTER PLUMBERS ASSOCIATION OF NSW™

"Serving the nation for over 100 years"

CORPORATE MEMBERS

"An Association of Specialist Contractors committed to providing the best practices in plumbing, draining and gasfitting for the protection of public health, safety and the environment"

YOUR MEMBERSHIP GIVES YOU THE FOLLOWING SERVICES & BENEFITS

Lobbying:

The Association represents the interests of the plumbing industry at the highest levels. Our aim is to protect and advance the industry by lobbying government, authorities, industry and other organisations impacting on its future e.g. protecting plumbing contractor licenses, security of payments, plumbing regulations and the introduction of an independent plumbing industry regulatory authority. All these issues have a major impact on the plumbing industry and the future of the industry.

- The Association lobbies on the industry's behalf at all levels of political representation, together with all water, gas supply, sewerage/drainage, public works, environment protection and other relevant authorities.
- Through the relevant regulatory authorities, we campaign actively against unlicensed and unqualified operators in and around the industry.
